

Domain rules

The application can register bets

- registering a bet is done by providing
 - gambler name
 - the 3 numbers of snails on the podium

The application lists the winners according to last race ran.

To win a bet :

- The podium match exactly the race result
- The bet has been registered at least 3 seconds before the race timestamp
- A bet is valid only for the next race

Exercise

Use simulator to test your domain

- ➡ Checkout branch **start-step3**
- Start writing tests

```
var scrollHeight = element.clientHeight + 0.02 * window.innerWidth;  
window.scroll(0, scrollHeight);  
}
```
